

Privacy policy

Effective date: March 31,2022

This application attaches great importance to user privacy policy and strictly abides by relevant laws and regulations. Please read the privacy policy carefully before continuing to use.

We will use and disclose your relevant information in accordance with the provisions of this privacy policy. This Privacy Policy describes our practices in collecting, using and disclosing data (including your personal data) when you use this application and other services (hereinafter referred to as "services").

If you continue to use our services, it means that you have fully read and understood all the contents of our agreement.

1、 Information collection and use

(1) Account Registration and login

Device information identifiers may be used in the product to help you set up a default account so that you can log in and use the product and related services directly.

(2) Billing information

If you are involved in the payment and settlement of our services, you may choose the payment services provided by our affiliates or third-party payment agencies that we work with. During the process of payment service, we need to share your order information, transaction information and consumption information with these payment institutions to confirm your payment order and complete payment. You can view your bill details on the billing page of a third-party Payment Institution. To achieve the above services, we need to collect the corresponding personal information from you, if you refuse to provide, can not use this function, but does not affect the normal use of other functions.

(3) Information collection

- The information you provide us when using our services;
- The shared information you provide to others through our services and the information stored when you use our services.

(4) Information use

You understand and agree that some individual services may require you to open specific access rights in your device to collect and use the information involved in these rights. We will not ask you to turn on all permissions at once. We will only ask you to use the corresponding permissions when you use a function provided by us:

After you open the album permission, we will get your storage permission so that you can use the album to read and save photos.

2、 Information disclosure

We will only publicly disclose your personal information with your explicit consent, or based on legal provisions or legal requirements of administrative or judicial authorities.

If it is necessary to provide your personal information according to laws and regulations or the requirements of administrative or judicial authorities, we may publicly disclose your personal information according to the type and disclosure method of personal information required. On the premise of compliance with the law, when we receive the above requirements for information disclosure, we will require that we must issue corresponding legal documents, such

as subpoena or investigation letter. We will carefully review all requirements to ensure that they have legal basis and are limited to data obtained by law enforcement departments for specific investigation purposes and with legal power.

3、 Information storage and protection

We only store your personal information for the period necessary for the purpose stated in this policy and the shortest time required by laws and regulations. If we terminate the service or operation, we will stop collecting your personal information in time, comply with the requirements of relevant laws and regulations, notify you in advance, and delete or anonymize your personal information after the termination of the service or operation, unless otherwise specified by laws, regulations or regulatory authorities.

Personal information collected and generated during our operations in the people's Republic of China is stored in China, except for the following circumstances:

1. There are clear provisions in laws and regulations;
2. Obtain your authorization and consent;
3. Our services you use involve cross-border, and we need to provide your personal information overseas.

In view of the above circumstances, we will ensure that your personal information is adequately protected in accordance with this policy and national laws and regulations.

We attach great importance to information security, set up a special security team and take all reasonable and feasible measures to protect your personal information:

We will adopt security protection measures in line with industry standards, including establishing reasonable systems, specifications and security technologies to prevent unauthorized access, use and modification of your personal information and avoid data damage or loss.

Our services adopt a variety of encryption technologies. For example, in some of our services, we will use encryption technology to protect your personal information, use encryption technology to encrypt and save your personal information, and isolate it through isolation technology.

When using personal information, such as information display and Information Association calculation, we will use a variety of data desensitization technologies to enhance the security of information in use.

We will also use strict data access control and multiple identity authentication technology to protect personal information and avoid illegal use of data.

4、 Your rights

You can access your personal information at any time, including but not limited to your account information, contact information and other relevant information, or update our outdated or inaccurate personal information about you. If you find that we collect and use your personal information in violation of laws, administrative regulations or the agreement of both parties, you can ask us to delete it. You can view the contents of this privacy policy at any time through my - about us - privacy policy.

You can choose whether to disclose information. Some information is necessary to use our services, but the provision of most other information is up to you. You can change the scope of your authorization to continue collecting and using information or withdraw your authorization by deleting information, turning off device functions, etc. After you withdraw your authorization, we cannot continue to provide you with the services corresponding to the withdrawal of authorization, nor will we process your corresponding information. However, your decision to

withdraw your authorization will not affect the previous information processing based on your authorization.

5、 Use of cookies

If you do not refuse to accept cookies, the app will set or access cookies on your computer so that you can log in or use the services or functions of the app platform that depend on cookies. You have the right to accept or reject cookies. This policy will apply to the relevant information obtained through the cookies set up by this application.

6、 Protection of minors

Our products or services are mainly for adults (i.e. over 18 years old). In the process of providing products or services, we presume that you have corresponding civil capacity. If you are a minor (i.e. under the age of 18, the same below), we require you to ask your parents or other guardians to carefully read this Privacy Policy and use our services or provide us with information with the consent of your parents or other guardians.

If you are the legal guardian of a minor, please pay attention to whether the minor under your custody uses our products or services after obtaining your authorization and consent. If you have any questions about the personal information of the minors under your custody, please contact us through the methods specified in this privacy policy.

7、 Change

In order to provide you with better service, we may modify the terms of this policy from time to time according to the update of our service and the relevant requirements of laws and regulations. If there are any changes (including when the changes will take effect), we will notify you by pop-up prompt or other means before the policy takes effect. If you do not agree with such changes, you can choose to stop using our services; If you continue to use our services, it means that you have fully read, understood and agreed to be bound by the revised policy.

8、 Contact us

If you have any questions, comments or suggestions on this privacy policy or personal information protection, please contact us through the following ways:

Email: WenNatural@hotmail.com

After we receive your questions, comments or suggestions and verify your user identity, we will reply within 15 working days.
